GRYPHON RETIREMENT ANNUITY NOW AVAILABLE

We are very pleased to announce that this is now available via a platform called Acravest. We have partnered with Acravest in order to be able to offer an effective and efficient solution via a solid administration platform. The application form can be found at: www.gryphon.com/new-investor

Please note that your investment into the retirement annuity will be with Acravest – they will process the retirement annuity, but the underlying investment can be made into the Gryphon Prudential and/or Money Market Funds. Gryphon will gladly assist you with the communication between yourself and Acravest, but for any financial advice, please contact your financial advisor. Any inquiries about the retirement annuity can be sent to GryphonRA@gryphon.com

GRYPHON'S MULTI ASSET FUNDS COME OF AGE

The Gryphon Flexible FoF and the Gryphon Prudential FoF have reached the 5-year milestone which is widely considered a credible track record.
