Consider the option of investing Tax-Free. When investing in a Gryphon Tax-Free Investment, you won't pay tax on your investment returns – not while you're invested or when your investment pays out. The tax you save remains invested to grow, which makes a difference over the long-term.

---

### Tax-Free Means

- NO Income Tax or other tax on interest or other income.
- NO Dividend Withholding Tax.
- NO Capital Gains Tax.

*The only fees payable are the annual management fees applicable to the underlying fund(s) you choose to invest in.*

---

### Tax-Free Investment Advantages

- Grow your savings without any tax implications.
  - Unrestricted access to your money (However, a long-term view is recommended to fully realise the benefit of compounding your tax-free return).
  - No initial fees, exit penalties or administration fees.
  - Select the funds that meet your investment needs. Your fund choice need not comply with Regulation 28.
  - You can open a Tax-Free Investment for minor and major children.
- 

### Tax-Free Investment Limitations

- Only South African Resident individual investors are eligible (not trusts, companies etc.).
  - A regular income cannot be paid out; interest and dividends earned are automatically re-invested.
  - This investment cannot be ceded as security and there is NO protection against creditor claims.
  - A maximum of R33 000 per annum (currently) or R500 000 over your lifetime can be contributed.
  - If you are invested in other Tax-Free products, please note that your overall contribution needs to remain within the Tax-Free limits. You are required to monitor the total amount invested to avoid tax penalties.
- 

### Tax-Free Allowance

A maximum of R33 000 Tax-Free Investments per individual can be made every tax year (1st March to end-February of the next year) and up to R500 000 over the individual's lifetime. These limits are legally set and apply across all Tax-Free products (not per product). If this amount is exceeded, the person will pay a penalty tax of 40% on the additional amount invested.

In addition, all amounts invested will count towards the annual and lifetime limits regardless of any withdrawals that are made.

One cannot reinstitute previous withdrawals with a new investment. For example, if one invested R33 000 this tax year and then withdrew some or all of that investment, any further contribution to the Tax-Free Account during that tax year will be taxed at 40%.

---

### Saving for Your Children/Parents/Domestic Workers

Children, parents and domestic workers can also receive the benefits of Tax-Free Investing - let's call them Nominated Persons. Your savings on behalf of Nominated Persons may be subject to donations tax, should it exceed the annual donations allowance. For each Nominated Person please complete a separate application form.

By opening a Tax-Free Investment on behalf of Nominated Persons, you unlock the full power of compounding their long-term savings.

The principle of compounding is simple - the returns earned on an investment also start generating returns. This means that the Tax-Free dividends and interest earned in the Tax-Free Investment are immediately put to work by being automatically re-invested. This results in your Nominated Persons' investment growing at an ever-increasing rate, year after year. Over the long-term, this can make an enormous difference to the end investment amount.

Each Nominated Person has their own personal Tax-Free allowance. Please note that a bank account in your Nominated Persons' name will be required for withdrawal payments from their Gryphon Tax-Free Investment.

### Important Information

- Please ensure the form is signed and dated before submitting it to us. Please initial the bottom of each page, as well as any changes made on this form.
- Your funds also need to reflect in our bank account.
- In terms of the Financial Intelligence Centre Act (FICA), we as the accountable institution, may not establish a business relationship or conclude a single transaction with you unless we have taken steps to identify and verify you. We will, therefore, not invest your funds in the market until we have met the necessary regulatory requirements. Verification may be done with external parties.
- Gryphon will only make payments into the bank account of the registered investor; no third-party payments or credit cards will be allowed.
- **Individual investors into the Gryphon Dividend Income Fund should not deposit funds for investment after the 20th of a month. ### Declaration and undertaking to be made by the beneficial owner of a dividend (exemption from tax).

Dividends tax is a 20% tax (subject to change) charged to unitholders when a dividend is paid. Dividends tax is withheld by either the company paying the dividend or the withholding agent (such as Gryphon Collective Investments) who pays this over to SARS on your behalf. It applies to all dividends paid by South African resident companies as well as non-resident companies listed on the Johannesburg Stock Exchange (JSE). Non-residents may qualify either for a reduced rate of tax depending on their country of residence and their circumstances, or they may be exempt.

#### Notes on completion of this form:

- This form is to be completed by the beneficial owner (of dividends, including dividends in specie e.g. a dividend in the form of a share) to apply for the exemption from dividends tax referred to in Section 64F read with sections 64FA(2), 64G(2) or 64H(2)(a) of the Income Tax Act, No 58 of 1962 (the Act).
- In order to qualify for an exemption, this declaration and written undertaking should be submitted to Gryphon Collective Investments within the period required by the latter (provided it is before payment of an affected dividend) - failure to do so will result in the full 20% dividends tax being withheld/payable.
- Non-South African residents applying for a reduced rate should also complete the DTD (RR) form. Please note that non-South African residents can also apply for dividends tax exemption on dividends declared by a foreign company listed on the JSE. To qualify for this exemption, "Par (j)" should be marked under "Part C: Exemption" of this form.

### Part A: Withholding Agent

All Collective Investments are managed by Gryphon Collective Investments (RF) (Pty) Ltd. A complete list of Collective Investments, and their Dividends Tax reference numbers, is available on request.
